### Summit Host

### Collaborators

Idea showcases and elevator pitches were some of the ways companies, large and small, could present their innovative solutions allowing urban and regional growth.

Close to 200 attendees and 35 press and media representatives from 20 cities from all over the world participated, as well as many companies such as Farglory, Oracle, Philips, Ericsson, ACS, FCC, Clearchannel, Axiona, Siemens, to name a few.
